Ways to Give at First Baptist Church of Maysville

IN-Person Giving

-<u>General</u> offerings are received through the offering box in the back of the room.

-For those wanting a <u>giving record</u>:
   -Place your donation in an offering envelope with your <u>name and amount</u> filled in.
      (Money given with name and amount on the envelope will be added to the computer record because it is
         assumed that the donor wants a giving statement for tax purposes.
      All other gifts will be recorded anonymously and no giving statement will be issued.)

-To <u>designate</u> a gift to a specific fund:
   --For a giving record, put the donation in an envelope showing <u>name, amount, and
      designation</u>, as done now.
   --For no giving record, put the donation in an envelope with <u>only the designation</u> on it.

Online Giving

First Baptist Church has partnered with Planning Center to make it easier if you would like to give electronically. Planning Center uses Stripe, one of the largest and most secure online payment companies in the world. Security information links are at the end of this document.

Giving in Planning Center is done through **Church Center**.
 Church Center can be used as either a website location or a phone app.
